To All 2010 Freshmen Football Hopefuls!

On **Thursday, January 14<sup>th</sup>**, I would like to meet with any 8<sup>th</sup> grade students who are interested in playing ***football for Montgomery High School*** next fall. The students and their parents are invited to attend our introductory meeting at our **High School** in the **Montgomery Performing Arts Center (MPAC) at 7:00 PM.**

I hope that you are as excited as we are about the upcoming season! We are part of a new Super Conference next year called the Mid-State 40. This new conference is already being regarded as the best in the state! Needless to say, our expectations are extremely high for 2010. Everyone in our program continually **works to become better on the field and better in the classroom.** Many of our players are working overtime in our **weight training center** in preparation for the upcoming season.

This year we placed two players on the All-State team: **J.T. Tartacoff** and **Kevin Azimi**. Also, **J.T. Tartacoff**, will be playing at Rutgers Stadium for Team New Jersey in a regionally televised game by FOX against the best players from the Northeast. We are all extremely proud of **J.T.** as he becomes our fourth player from Montgomery to play in this game.

**We have started a proud football tradition in Montgomery!** In 2000, the Cougars started our very own program from scratch. In 2007 we qualified for the State Play-offs for the first time and we qualified once again in 2009! Over the last 8 years, we have been one of the most competitive programs in central New Jersey. In that time, **over 30 of our graduates have gone on to play college football** and a few of our current seniors will join them next fall. Literally dozens of **Division I, IAA, II, and III college football coaches** regularly visit Montgomery High School. College coaches from these programs have met with our football players and continually contact me. ***It is a fun time to be a Montgomery Cougar!***

On **January 14<sup>th</sup>**, I would like to give you our 2010 calendar and information about summer conditioning, summer camps, academic support, and discuss what **COUGAR FOOTBALL** is all about. I will introduce our coaches, discuss our goals and answer any questions that you may have about our program.

**I am very proud to be the head football coach at Montgomery High School and I hope that you and your family can feel just as proud of being a part of our program. I look forward to meeting you.**

**GO COUGARS!**
